

Selleys Liquid Nails Exterior - 350g Construction Adhesive

Canonical: <https://directory.selleys.com.au/home-garden/construction-adhesives/selleys-liquid-nails-exterior-350g-construction-adhesive/>

Description:

Selleys Liquid Nails Exterior is a high-performance construction adhesive specifically designed for outdoor use. It can withstand heat, water and UV. Features all-weather bonding, no sag or stringing, and is paintable once cured. Ideal for decking, cladding, fencing and suitable for wet and dry timber. Made in Australia.
