

Selleys Liquid Nails Exterior Construction Adhesive 350g

Canonical: <https://directory.selleys.com.au/home-garden/construction-adhesives/selleys-liquid-nails-exterior-construction-adhesive-350g/>

Description:

Selleys Liquid Nails Exterior is a high-performance construction adhesive specifically designed for outdoor use. It can withstand heat, water and UV. Features all-weather bonding with no sag or stringing, and is paintable once cured. Suitable for wet and dry timber, ideal for decking, cladding, and fencing applications. Made in Australia and complies with AS 2329-1999.
